

FRIENDLY REMINDERS FOR YOUR NEW TRASH + RECYCLING PROGRAM

1. DO set your trash outside no later than 8:00am on Monday-Wednesday-Friday. If you set it out after 8:00 when you see the truck go by, it's probably too late. We've likely already checked your apartment and moved on.
2. DO set your trash/recycling in a clearly visible space outside your front door. If you set it outside your back door or hidden behind a bush, it will not get picked up.
3. DO put your trash in kitchen sized trash bags. They fit in the trash cans perfectly and hold a lot more than a grocery bag.
4. DO NOT place non-recyclable trash or any type of plastic bag in your recycling bin. Plastic bags in recycling bins will not be taken. Recyclables should be placed in your bin loose.
5. DO tie all of your trash bags shut. This prevents any loose items from falling out of the bag and being left behind.
6. DO NOT place more than 1 trash bag on your doorstep for collection. We will collect 1 bag per apartment. Any additional bags beyond the 1 bag limit will not be collected.
